

CORONAVIRUS REGULATIONS

The development of the Coronavirus raises many questions, especially if you have a booking or plan to stay with us. A number of changes have been made and we are of course complying with the French law regarding the Covid-19 virus. You can find them on our website and you will also receive them upon arrival. Hopefully many of your questions will be answered after reading this document.

What we expect from you:

- Wash / disinfect your hands regularly with soap or the hand gel that is available everywhere
- Keep at least 1 meter distance from others
- Greeting someone is fine, but hand shaking, hugging or kiss is not possible (except family)
- Wear a mask in the interior areas (once at the table it can be taken off)
- Cough and sneeze in a tissue or in the crease of your elbow
- Report immediately if you have symptoms or if someone in your entourage is ill

The facilities:

- The restaurant, the bar and the terraces are open with a social distancing of 1 m between the tables. It is necessary to book in advance to eat in the restaurant.
- The snack / pizzeria is open for take-away and to be consumed on site.
- The shop is restricted for a maximum of 8 people at the same time.
- The sanitary buildings are open. There are walking routes and 1 out of 2 of the showers and washbasins are closed.
- The animation program will be adapted according to the possibilities.
- The swimming-pool is open for up to 50 persons at the same time. The Jacuzzi, sauna and hammam have a policy of up to 4 persons at the same time. The pool area is closed every day between 1 pm and 2 pm for a disinfection round.

These are the rules at the moment; our expectation is that they will be relaxed more in a couple of weeks.

For the safety of others and yourself, we expect everyone to respect these rules.
